

Donations for the Japanese Tsunami Response are also possible through the Jordanian Red Crescent, to be forwarded to the International Red Cross in Switzerland before being sent to the Red Cross in Japan.

You may do so through their bank account as follows:

Cairo Amman Bank
Jordan Red Crescent
Account №: 0150027021101
Wihdat Branch
Japan Donation

Important note: the donor has to mention “Japan” upon submission of donation- in both speech & writing.

You may also donate through Google’s Tsunami Response site directly to the Japanese Red Cross Society. The Japanese Red Cross currently does not accept any goods.

Thank you for your support and concern.

Your prayers and good wishes are just as appreciated.

Thank you.
