

Inauguration Ceremony of Kofor Asad and Seveen Pumping Stations in Irbid Governorate

2019/04/30

On 30th April, 2019, H.E. Mr. Hidenao Yanagi, Ambassador of Japan, attended at the Inauguration ceremony of Kofor Asad and Seveen Pumping Stations in Bani Kananah district in Irbid, and made a remark at the ceremony. The Kofor Asad and Seveen Pumping Stations were rehabilitated through the ICRC project. H.E. Eng. Read Abu Al-Saud, Minister of Water and Irrigation, and Mr. Jurg Montani, Head of the ICRC delegation in Jordan also delivered their speeches in the ceremony. After the ceremony, Ambassador Yanagi joined on-site visit of Kofor Asad pumping stations.

Government of Japan provided funding assistance of 1 million USD to ICRC project in Jordan in 2018 and decided to extend a new assistance of approximately 900,000 USD in February this year.

Many of the attendees of the ceremony expressed their appreciation for Japanese support to the activities of ICRC and host communities in the water sector.
