

## Exchange opinions with Al Hussein Technical University

On June 2, 2021, Mr. SHIMAZAKI Kaoru, Ambassador of Japan to Jordan visited Al Hussein Technical University and exchanged views with President Prof. Ismael Al Hinti.

Prof. Ismael Al Hinti explained projects carried out in collaboration with the private sector in order to develop skills necessary for the society and the importance of education for digital transformation. He also expressed his gratitude for friendly relationship between Japan and Jordan, and expectation of possible collaboration with Japanese government and private sector.
