

Support for UNDP Project Launching Meeting

On 6 June 2021, Mr. SHIMAZAKI Kaoru, Ambassador of Japan to Jordan participated in the launching meeting for UNDP Jordan Project “Preventing online radicalization and enhancing community security to mitigate socio-economic impact of COVID-19 in Jordan” which is supported by Japanese government supplementary budget 2020 through a 3 million USD donation.

At the event held at the Prime Ministry, H.E. Dr. Nawwaf Tall, Minister of State for Streamlining and Government Coordination and Chair of National P/CVE Committee, Eng. Zaid Al Rihani, Vice Chairman of Amman Committee, and Ms. Sara Ferrer Olivella, UNDP Resident Representative gathered and talked about efforts for P/CVE in Jordan especially focusing on socio-economic impact of COVID-19.

The representatives expressed their appreciation for Japan’s support in this field which has been continuing since 2016.
