

Visit to Al Zohour Green Triangle Pilot Project Site by Ambassador of Japan

On 14 October 2021, Mr. SHIMAZAKI Kaoru, Ambassador of Japan to Jordan paid a visit to Al Zohour Green Triangle Pilot Project Site which is included by UNHABITAT Project “Strengthening the Social Stability and Resilience of Vulnerable Jordanian Communities and Syrian Refugees in Amman against Flash Floods” supported by the Japanese government supplementary budget 2019.

The project has been implemented in cooperation with Great Amman Municipality, and H.E Dr. Shawarbeh, Chairman of Amman Municipal Committee expressed his hope to tackle continuously flood risk with Japan and international agencies. Mr. Ali, Regional Representative for Arab States of UNHABITAT said this project is an advanced project that can be a model for other countries in the region.

Participants in this event repeatedly expressed their gratitude for the Japanese government support.
