

**Opportunities for Consultation on  
Japan's Grant Assistance for Grass-roots Human Security Projects(GGP)**

**November 1, 2023**

**From  
the People of Japan**

The Government of Japan has various schemes under its Official Development Assistance (ODA) that meets the diverse needs of developing countries. One of the ODA schemes, the Grant Assistance for Grass-roots Human Security Projects (GGP) supports small-scale projects that are directly benefiting the grassroots level as well as contributing to the socio-economic development of developing countries.

Prior to the call for submission of proposals for the GGP application in 2024, we are open for consultation with organizations that may like to submit their proposal. That consultation include your project's eligibility, likeliness of being accepted, and ways to improve your project's application. You may schedule a free consultation meeting with GGP officers of the Embassy of Japan in Jordan.

Consultations will be take place from Nov. 1 to Dec. 21 2023 upon request, before GGP application submission dates (The date will be announced soon).

**<ELIGIBLE ORGANIZATIONS>**

- NGOs (or Nonprofit Organizations) legally registered under Jordanian authorities
- Municipalities financially independent from Jordanian central government
- Must have continuous activities for more than 2 years in Jordan
- Must have been implementing economic and social development projects to serve local communities in Jordan

Before booking for a consultation meeting, please read the [GGP guidelines](#) carefully.
